RE: INFORMATION RESOURCES MANAGEMENT CONFERENCE IN WASHINGTON D.C., FEB. 16-18, 1982

You cannot afford to have your executives and professionals uninformed. Give them the tools and techniques needed to implement IRM in your organization by having them attend this 3-day intensive conference.

Route these brochures to your specialists involved in and affected by information processing. IRM is a must for the 80s! IRM affects:

- . Data Processing
- . Word Processing
- . Records Management
- . Information Systems
- . Telecommunications
